

Unity by the Bay

WORLD DAY OF PRAYER

Thursday, September 12

9 am - 9 pm

Hosted by the Prayer Chaplains

World Day of Prayer unites Unity and draws in New Thought partner communities for a 24-hour period of prayer practice.

In prayer, we dissolve our personal borders as we realize God within us, around us—an active source of life, love, and wisdom.

Infinite Presence, Unlimited Potential **Unity World Day of Prayer**

September 12, 2019

“I celebrate the vast possibilities for my life.”

You are invited to join us at Unity by the Bay (Maryland) as we participate in Unity’s World Day of Prayer. On this day we will join with other Unity churches around the world as we step up our prayer consciousness and draw upon divine power and presence to realize limitless possibilities.

This year’s event at UBB will begin at 9 AM and conclude at 9 PM. Stop by for a session or come for the entire day. Lunch, Dinner and Snacks will be available. You’ll be delighted by a host of presenters including our favorite speakers, teachers and musicians. The agenda will be available the Sunday before WDOP.

Throughout the day you may join us for prayer circles, inspirational talks, discussions, meditation, quiet time, singing or listening, drumming, poetry, movement and so much more. You’ll have the opportunity to connect with others or take time for yourself in the silence. You may walk the grounds and labyrinth or even sign up for an art session. It’s all an opportunity for prayer – entering the vibration and expression of inner Truth and Being.

Interested in helping? We would appreciate your help in providing a dish for lunch or dinner. Please see the sign-sheet in the hospitality area or speak to Liz Clickner or Carol Hawtin, our WDOP event coordinators.

All are invited. See you at WDOP on September 12.
